## THOUSANDS OF SICK WOMEN

Helped Every Year by Common Sense Suggestions Given Free by The Lydia E. Pinkham Medicine Co.

For forty years women suffering from all kinds of female ills have been writing the Lydia E. Pinkham Medicine Co. of Lynn, Mass., for advice. Thus they receive common sense suggestions drawn from a vast volume of experience, and thousands of sick women have been saved from untold suffering, as letters like the following clearly show:

Newark, Ohio—"Lydia E. Pinkham's Vegetable Compound has made me a well woman. My native was just the thing to overcome female weakness. I have told young mothers as well as older ones about your remedies, and what they have done for me. I think Lydia E. Pinkham's Vegetable Compound saved my life, as my health was very bad when I wrote you, but now I can do my own work and have not had a sick day since I began taking your remedy. I keep the Compound and Liver Pills on hand all the time."—Mrs. GEO. THOMPSON, 24 Sherwood Court, Newark, Ohio.

Why don't you write for free advice? Address Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.—Advt.
